

Shri Yashwantrao Patil Science College, Solankur

## Department of Physics

### Report of Sky Observation Programme held on 07.12.2021

A sky Observation programme was arranged by Astro Club, Department of Physics for the college students and villagers (open to all programme) on 7<sup>th</sup> December 2021 between 6 pm to 9 pm on the college campus. Dr. Aviraj Jatrakar had arranged his own 250 mm Newtonian reflector telescope for the same and guided the audience.

Programme had overwhelming response. 50+ students, parents, villagers and college staff were present. Audience were introduced to concept of constellation and their use in real life. Three planets (Venus, Saturn and Jupiter), Moon, Andromeda galaxy, constellations (Cassiopeia, Orion) were observed through large telescope. Students and parents too were so curious to observe these celestial objects as they were watching for first time. They asked several questions and got answers form Dr. Jatrakar Sir.

Principal Dr. A. S. Manjare, Dr. Rahul Patil, Dr. Sikandar Tamboli, Mr. Amar Patil, Mr. Swapnil Khorate, Mr. S. D. Gorshetwar, Dr. Sushant Magdum, Mr. J. K. Chavan, Mr. Vijay Patil were present on the observation location. Students from B.Sc. III Physics have worked as volunteers.
