MECHANISM OF CONTINUOUS INTERNAL EVALUATION (CIE)

EXAMINATION COMMITTEE

(2022-23)

Examination Committee of the institution prepares examination schedule for conducting various continuous internal examinations during in each academic year. Continuous Internal Evaluation (CIE) and University Examination schedule comprises Diagnostic Test, Unit Tests, Term Work and Examinations for Non-CGPA Courses. Mechanism to deal with examination related grievances is transparent, time-bound and efficient.

The Institution conducts Diagnostic Test, Unit Tests. Variety of Options has been applied by different departments for CIE i.e., Open Book Tests, Surprise Tests, Project Work, Study Tour, Field Visits, Industrial Visits, Group Discussions, Oral Examinations and Seminars. The assessed answer-books of CIE are returned to student for study of semester examination, while some sample copy kept at department. Results were discussed with student in classroom and also displayed on the departmental notice board. Projects of Environmental Studies for Second Year UG students are evaluated at institutional level. Seminars, Oral, MCQs, Home Assignments and Group Projects were taken only for the Third Year UG student. The examination of 1st year students for the semester I and II is conducted at institutional level and results were communicated to the University. As per Shivaji University notification, the institution has also taken examination for the Semester III, IV, V and

VI for UG students and Semester I and II of PG students. The examinations of Civic Courses (Non-CGPA) twice in a year- for the first- and third-Year students were also conduct by the institution and results have to be communicating to the university within a specified period.

Examination committee looks into the grievances related to internal examination. The institution ensures effective time management in order to conduct various types of examinations. Grievances regarding the internal assessments are handled immediately by the committee through communicating the same to the concerned HODs and concerned faculty. Question-papers for internal evaluations were prepared by the concerned faculty who teaches a particular subject. The HODS ensure that the questions set meet the course outcomes and objectives of the course. Results of CIE are communicated to the students by displaying at the departmental notice board within specified period. For the undergraduate and postgraduate program, the college conducts assessment of the students in three different components such as theory, practical and viva-voce. The institution takes reviews on CIE and guides the committee for further reforms which may have to incorporate in the evaluation process.

Continuous Internal Evaluation (CIE) and University Examination schedule comprises Diagnostic Test, Unit Tests, Term Work and Examinations for Non-CGPA Courses. Mechanism to deal with examination related grievances is transparent, time-bound and efficient.

The Institution conducts Diagnostic Test, Unit Tests. Variety of Options has been applied by different departments for CIE i.e., Open Book Tests, Surprise Tests, Project Work, Study Tour, Field Visits, Industrial Visits, Group Discussions, Oral Examinations and Seminars. The assessed answer-books of CIE are returned to student for study of semester examination, while some sample copy kept at department. Results were discussed with student in classroom and also displayed on the departmental notice board. Projects of Environmental Studies for Second Year UG students are evaluated at institutional level. Seminars, Oral, MCQs, Home Assignments and Group Projects were taken only for the Third Year UG student. The examination of 1st year students for the semester I and II is conducted at institutional level and results were communicated to the University. As per Shivaji University notification, the institution has also taken examination for the Semester III, IV, V and

VI for UG students and Semester I and II of PG students. The examinations of Civic Courses (Non-CGPA) twice in a year- for the first- and third-Year students were also conduct by the institution and results have to be communicating to the university within a specified period.

Examination committee looks into the grievances related to internal examination. The institution ensures effective time management in order to conduct various types of examinations. Grievances regarding the internal assessments are handled immediately by the committee through communicating the same to the concerned HODs and concerned faculty. Question-papers for internal evaluations were prepared by the concerned faculty who teaches a particular subject. The HODS ensure that the questions set meet the course outcomes and objectives of the course. Results of CIE are communicated to the students by displaying at the departmental notice board within specified period. For the undergraduate and postgraduate program, the college conducts assessment of the students in three different components such as theory, practical and viva-voce. The institution takes reviews on CIE and guides the committee for further reforms which may have to incorporate in the evaluation process.

Q.1) MCQ

Total = 20M

- 1) what is haematopoiesis? (4m)
- a) Formed elements b) Blood cell formation
b) Erythrocyte formation d) Developing RBCs

- 2) Myoblasts give rise to - - - -
- a) Basophil c) Eosinophil
b) Neutrophil d) All of the above

- 3) Natural killer cells are found in all the following except - - - -
- a) Lymph nodes c) Spleen
b) Thymus d) Blood

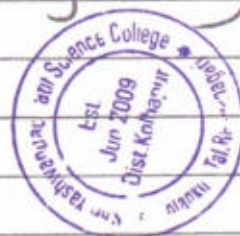

- 4) which of the following cells is involved in humoral immunity?
- a) T-cells c) Mast cells
b) B-cells d) Both T & B cells

Q.2) Long Question (Any One) (8m)

- Q.1) Describe the process of Haematopoiesis.
Q.2) Give & account of cells of the myeloid lineage with suitable diagram.

Q.3) Short Note (Any two) (8m)

- Q.1) T lymphocytes
Q.2) B lymphocytes
Q.3) NK cells
Q.4) Phagocytosis

Q. 1. Multiple Choice Questions

1) Protein is a polymer of _____.

a) Nucleotide b) Amino acids
c) Protein d) Nucleoside

2) In protein synthesis amino acids are specified by _____ codons.

a) 20 b) 61
c) 64 d) 03

3) Termination of replication is triggered by _____.

a) DNA polymerase b) Helicase
c) SSB d) Tus protein.

4) The enzyme photolyase is used _____ method of repair.

a) Base excision b) Photo reactivation
c) Nucleotide excision d) None of these.

Q. 2. Long answer questions

1) Relate protein synthesis and its two major phases to the central dogma of molecular biology.

2) Write an account on transcription process in eukaryotes.

Q.1) Multiple choice questions. [4M]

1. --- of the following is not a feature of the Genetic code.

- a) Triplet
- b) Degenerate
- c) Non-overlapping
- d) Ambiguous

2. The synthesis of a polypeptide chain from mRNA is -----

- a) Transcription
- b) Translation
- c) Replication
- d) Termination

3. Replication of DNA always takes place from ----- direction.

- a) 5'-3'
- b) 3'-5'
- c) 5'-5'
- d) 3'-3'

4. Initiation codon is -----

- a) AUG
- b) UUU
- c) UAG
- d) UGA

Q.2) Long questions (Any One) (8M)

Q.1) What is genetic code? Explain the properties of genetic code.

Q.2) What is chromatography? Explain procedure for thin layer chromatography.

Q.3) Short Note (Any two) (8M)

- a) Restriction enzyme
- b) DNA repair mechanism
- c) DNA probes
- d) Gel Electrophoresis.

1. Multiple Choice Questions (4M)

1) The function of DNA ligase enzyme is.....
a) initiation of DNA replication
b) breaking of DNA strand.
c) joining of DNA segment.
d) termination of DNA replication.

2) Southern blotting is the technique for
_____ blot.

- a) protein b) DNA
c) RNA d) lipid

3) In gel Electrophoresis, fragment are separated on the basis of - - - - -

- a) shape b) colour
c) charge d) both (a) and (b)

4) Function of DNA probe is - - - - -

- a) Amplification of DNA sequence
b) Detect the presence of nucleotide sequence
c) Synthesis of DNA template.
d) Reduction of DNA sequence.

 - a) ultraviolet
 - b) infrared
 - c) radio wave
 - d) microwave
- ii) The wavelength range, 400-750nm is called as, ---
 - a) light
 - b) infrared rays
 - c) radio waves
 - d) gamma rays
- iii) The energy of photon is equal to, ---
 - a) $\frac{hc}{\lambda}$
 - b) $h\nu$
 - c) $h\nu$
 - d) all of these
- iv) The energy level involved in IR- absorption are, ---
 - a) rotational
 - b) nuclear
 - c) vibrational
 - d) electronic
- v) The energy of photon is independent of, -
 - a) wavelength
 - b) frequency
 - c) wave number
 - d) intensity
- vi) The advantages of spectroscopic analysis include, ---
 - a) rapid
 - b) non destructive
 - c) small sample requirement
 - d) all of these

ii) An example of auxochrome is - -

- a) $>C=C<$ b) $-CO-$
c) $-NH_2$ d) all of these

iii) The UV-visible radiation ranges between - - -

- a) 200 - 800 Å b) 200 - 800 nm
c) 200 - 800 μm d) 200 - 800 cm.

iv) An example of homocyclic diene is, - - -

- a)  b) 
c)  d) 

v) The absorbance (A) of the absorbing solution varies, - - -

- a) directly with proportional to wavelength
b) inversely proportional to concentration of solution
c) directly proportional to the concentration of solution
d) directly proportional to transmitted light.

Sub:- Abstract Algebra

Marks:- 10 Marks

Q1) Solve any two of the following.

(5 marks each)

A) If $L\{f(t)\} = f(s)$ then prove that

a) $L\{e^{at} \cdot f(t)\} = f(s - a)$ b) $L\{e^{-at} \cdot f(t)\} = f(s + a)$

B) If $L\{f(t)\} = f(s)$ then prove that

$$L\{t^n f(t)\} = (-1)^n \frac{d^n}{ds^n} [f(s)], \quad n = 1, 2, 3 \dots$$

C) By Convolution theorem find inverse Laplace transform of $\frac{1}{s(s^2+2s+2)}$.

Annual Report 2022-23 Examination Committee

The Institution has offered B.Sc. (Chemistry, Physics, Botany, Zoology, Mathematics) programmes to the students. As per the guidelines given by CDC and IQAC, Examination Committee prepared an examination schedule which is incorporated in Academic Calendar. This allows the faculties to preplan the assessment procedures to be employed for each class. The schedule includes diagnostic test for first year students of all programs and unit tests. Unit tests were conducted at the department level. Examination is conducted in an regular offline mode descriptive type. The internal evaluation is done as per the rubrics devised by the committee and results were prepared and shown to the students for further up gradation in their academic development.

A diagnostic test was conducted for first year students on 25/09/2022 in order to identify slow and advanced learners. All departments have taken unit tests in each semester and maintained records of these examinations in their department. During first semester regular descriptive type examination of the 1st year students for the semester I (Fresh students) and II (Repeater students) is taken at institutional level in an offline mode and results were communicated to the University. Also, during 2nd semester, these examinations were taken in an offline mode through centralized block-wise seating arrangement. The results of internal evaluation. Our institution followed the university norms and guidelines for conducting semester examinations. College had appointed junior supervisor senior supervisors and guided them for their work. The results of final year students of University Examination were remarkable. The result of B.Sc.-III was 87.08 %.

Annual Report 2020-21 Examination Committee

The Institution prepares an examination schedule which is incorporated in Academic Calendar. The Institution has offered B.Sc. (Chemistry, Physics, Botany, Zoology, Mathematics) programmes to the students. IQAC and Examination Committee of the institution has prepared annual calendar for conducting various internal evaluation examination. This allows the teachers to preplan the assessment procedures to be employed for each class. The schedule includes Unit Tests and Term Work. The Unit Tests were organized at the Department level. The internal evaluation is done as per the rubrics devised by the committee.

However, due to the corona pandemic situation excluding March 2021 teaching and evaluation process was done through online mode. All departments have taken online unit tests whereas institution has conducted. The examination of the first year students for the semester I and II are taken at institutional level and results were communicated to the University. As per Shivaji University's notification, the institution has also taken offline examination of students who were unable to give online examination for the Semester III, IV, V and VI and results of the same is communicated to the University for Further Process. The results of internal evaluation, i.e. Term Work, was prepared only for the last year student which is a part of University Examination. There is a provision of eight Additional Credits for the students while completing his/her degree course. For internal examination centralized seating arrangement was made and block-wise examination is conducted. Our institution followed the university norms and guidelines for conducting semester examinations. College had appointed junior supervisor senior supervisors and guided them for their work. The results of final year students of University Examination were remarkable. The pass percentage of B.Sc.-III students was 98.77 %.
