Department of Chemistry Celebrated Ozone Day

Department of Chemistry, Shri Yashwantrao Patil Science college, Solankur, Tal-Radhanagari, Dist- Kolhapur has organized a "World Ozone Day" i.e. 16th September, 2022. Every year September 16th is we celebrate World Ozone Day. The main aim is to remind the world about the depletion of the ozone layer and its dangers. The ozone layer of the Earth protects us from the harmful ultraviolet rays of the sun. Unfortunately, our race for maintaining a high quality of life has led to its depletion. On 1st January 1989 the Montreal Protocol came into force to stop the depletion and reduce the usage of substances that cause holes in our protective blanket. Sustaining the Ozone layer is hence the collective responsibility of all the nations.

We are the agents of Environment change. Let's join hands to preserve life on this planet by protecting Ozone Shield. Let's take an oath to protect Ozone layer and save earth on World Ozone Day.

"Earth without OZONE is like a house without roof"

"Ozone, not a layer but a protector"

Sadbhavana Diwas

Sadbhavana Diwas is celebrated to commemorate the birth anniversary of former Prime Minister Rajiv Gandhi on 20th August 2021. Being the youngest Prime Minister, Rajiv Gandhi's thought process was modern and different from others. This day is observed as 'Sadbhavana Diwas' or 'Harmony Day' with an objective to encourage national integration, peace, affection, and communal harmony among the Indian people of all religions and languages. It promotes the unity in diversity and feeling of oneness amongst people to a great level. It brings a type of racial and cultural similarity among people of different community. Communal harmony is a prerequisite for a country like India, with its diverse population and cultures. Communal harmony ensures that every religion gets equal treatment, and tolerance builds amongst citizens.

Dr. Atul D. Kamble, NSS Programme Officer, Shri Yashwantrao Patil Science College, Solankur welcomed the Dr. Surat Manjare and all staff members along with students and volunteers and recited the pledge and made all the students to recite the pledge both in English. Around 35 students took the oath and pledged to abide by the rules.

PLEDGE:

English version:

"I take this solemn pledge that I will work for the emotional oneness and harmony of all the people of India regardless of caste, region, religion, or language. I further pledge that I shall resolve all differences among us through dialogue and constitutional means without resorting to violence".

Cleaning of 'Nirmalya' from Water bodies During 'Ganeshutsavs'

During 'Ganeshutsawa' Nirmalya (flowers/durvas) donated to God Ganesha is released in water as per tradition. But this results in pollution of water bodies. Hence nature club has taken initiative to prevent this by removing such Nirmalya as far as possible and respectfully it is donated to vendors for decomposing in fertilisers. Activity conducted on 11/09/2019, near about 212 students and teachers, nonteaching members participated in event.
